

Wireless Virtual Presenter

No more limitations in presentations

Draw attention to specific elements of your presentation in a convincing way with the Wireless Virtual Presenter. Due to the software-based pointer there is no limitation of the surface the presentation is projected on. No more invisible laser points on a large display! The presenter can be set to vibrate before the end of your presentation and again when the scheduled time has elapsed. It also features a built-in rechargeable battery to reduce battery waste.

Specifications

Art.no.:	D32058
EAN:	7640239421356
Weight:	0.04 kg
Material:	Plastic
Warranty:	24 months
Dimension:	130 x 22 x 35 mm
Max. Device dimensions:	0 x 0 x 0 mm
